DATE: ____ / ____ / 20____ CRASH DATE: ____ / ____ / 20____

CASE#: _____ INSPECTION #: _____

OFFICER NAME: _____ OFFICER ID: _____

The following pages provide the form that is to be completed for post-crash investigations. Fields highlighted in orange are not required. Below are the instructions for saving the form as a PDF document that can be stored with only the relevant pages. Please follow these instructions so the document contains only the pertinent information.

1. Click on the reset button to clear all the fields in the form. ---->

Reset Form

2. Fill out the form completely.

- a. The last three pages are optional (additional towed units and hazmat).
- b. Some fields have additional notes or tips if you hover over the location where the information goes.

3. Once the form is filled out, click on the print button. ---->

Print Form

4. The print dialog box will appear:

- a. Chose a PDF printer from the list at the top.
- b. Select the "Pages" option.

- c. Type the page numbers of the pages to be included in your document. You can use the hyphen "-" to give a range and a comma "," to list individual pages. *Do NOT print page 1 with your document.*

- i. For pages 2 through 8 and page 11, enter the following: 2-8,11

- d. Click on Print.

5. The "Save PDF File As" box will appear for you to save your document.

Save Form

- a. Chose your location to save at the top.
- b. Name your document for saving.
- c. Click on save.

6. Attach saved document into the case file.
